

Let's cook!

1. Pick a recipe.

How many people can be served?

How much of this recipe do we have to make?

2. Make a list of the ingredients.

Cross out what we already have at home.

What do we need to buy from the store?

3. Go shopping.

How much money did you spend?

4. Read the recipe's directions.

5. Prepare things that need to be done ahead of time.

6. Finish making the recipe.

7. Any tricks or things you want to remember about this recipe?
